## Florida HOSA Member/Student Code of Conduct

A good reputation enables members/students to take pride in their organization. Florida HOSA members have an excellent reputation. Your conduct at any HOSA function should make a positive contribution to the reputation that has been established.

- 1. Your behavior at all times should be such that it reflects credit to you, your school/college, your state, and HOSA.
- 2. Member/student conduct is the responsibility of the local chapter advisor. Member/students shall keep their advisors informed of their activities and whereabouts at all times. Florida HOSA event name badges shall be worn at all times at any Florida HOSA function.
- 3. You are expected to attend all general sessions and other scheduled conference activities. Please be prompt and show respect to those in the audience and on stage.
- 4. Members/students are to report any accidents, injuries or illnesses to their local or State Advisor immediately.
- 5. Members/students are expected to observe the designated curfew. Curfew is described as being in your own assigned room by the designated hour.
- 6. If a member/student is responsible for stealing or vandalism, the member/student and his/her parents will be expected to pay any and all damages.
- 7. Members/students attending any Florida HOSA function may not purchase, consume or be under the influence of alcohol or drugs at any time. Violators will be subject to stringent disciplinary action.
- 8. Smoking is not permitted.
- 9. Members/students who disregard the rules will be subject to disciplinary action and will be sent home at their own expense. Parents will be notified.
- 10. Members/students will understand and adhere to their specific school and/or district's Swimming Policy. If a member/student does swim, Florida HOSA will be released from liability.
- 11. Any long-distance phone calls, charges to the rooms, etc., will be the responsibility of the individual member/student and/or his/her parents.
- 12. Members/students are to abide by the Dress Code Policy established by Florida HOSA at all business sessions, general sessions, competitive events, and other conference activities.
- 13. As a member/student, permission is granted to make photographs, video, broadcasts and/or sound recordings, separately or in combination, available for reproduction for educational and promotional purposes by Florida HOSA.

Plan of Action for members/students that do not follow the Code of Conduct:

- 1. The Florida HOSA Executive Director/State Advisor will consult with the member's/student's chapter advisor/chaperone.
- 2. A determination will be made after the advisor/chaperone consultation which may include disqualification from competitive event(s), parent/guardian notification, being sent home at member's/student's own expense, and school administrator notification.

I have read the above Code of Conduct for Florida HOSA conferences and functions and agree to abide by these rules.

## Florida HOSA Member/Student Medical Liability Release Form

Due to legal restrictions, it is necessary that all Florida HOSA members/students complete this form as a prerequisite to attend any Florida HOSA state event. This form should be returned to the member's/student's Florida HOSA chapter advisor, who will forward all forms to the State Advisor. Please note that Global/National HOSA has their own medical liability form that is available each year on the ILC page in the ILC Guide, which should be used for that event only.
