Advisor/Chaperone Screening and Training Certification

Florida HOSA is dedicated to protecting the safety and success of our members. In order to do so, as well as stay in compliance with Florida and Federal Laws, all employees, staff, advisors, and chaperones in direct contact with Florida HOSA members must submit to a Criminal Background Check and complete Sexual Abuse Prevention Training. In partnership with local chapters, **this form is required to be completed by an authorized representative of the school (district), certifying that all staff provided by the school (district) and working with members of Florida HOSA have completed and passed a Criminal Background Check, Driver MVR, and Sexual Abuse Prevention Training.** Information obtained is not an automatic bar to volunteering with Florida HOSA, but will be considered in view of relevant circumstances.
