### Why I Would Like to be a Florida HOSA State Officer:

I aspire to be a FL HOSA state officer to ignite a passion for healthcare in others. I want to cultivate an encouraging environment to do so.

I believe that the skills I have acquired in HOSA like service, leadership and dedication can make me a strong candidate to inspire and motivate HOSA members to work and advocate for the needs of others in the community.

I wish to give back to the community by being a part of the HOSA Officer Board so that I can help nurture the future generation of medical healthcare professionals in students just like me.

I also want to earn connections with other important leaders and students, I want to gain more information about HOSA to help expand my chapter back at school.
